THE BEWICK SOCIETY

Your Data and the Bewick Society.

As you may know, the law on privacy and data protection changes on 25th May 2018. On that day the General Data Protection Regulation starts to apply. This sheet is intended to clarify the position for members of the Bewick Society.

As a member you receive from us

by post: copies of the Cherryburn Times.

by email: our newsletter, occasional news emails and notice of the AGM.

Those members who have already expressed a preference receive all communications by post.

The details we have are those you gave us when you became a member. Our database is kept secure and we have a back-up system in operation in case we experience a computer failure. We will keep the information we hold about you as long as you remain a member. If you leave us, we will delete all electronic records. We may keep other paper records, but only as a historical record of our membership.

Of course we won't sell, share or distribute your details to anyone else.

As long as you remain a member we will continue to send you the Cherryburn Times, our newsletter, occasional news emails and notice of the AGM.

If you want to change the way you receive communications from us let us know. If you would like a copy of the details we hold about you do please ask and we shall speed these to you as swiftly as the limitations of our volunteer staffing allow.

June Holmes, Membership Secretary
Peter Quinn, Chairman.
